

Registration Information

Florida State University · Department of Meteorology
Florida Leadership Institute in Environmental Sciences
Professional Development Workshops in Science and Environmental Education
Fall 2001

To register, fill out the registration form and mail to the EXPLORES! office. Please note that registrations are accepted on a first-come, first-served basis. If this workshop fills up, a waiting list will form.

***EXPLORES! Program: Implementing Weather Satellite Imagery in K-12 Classrooms
September 21-22, 2001: Tallahassee, Florida with follow up meetings one per month
through April 2002.***

NOTE: This workshop is currently open to teachers from the Leon County, FL public school district. However, it is the desire of this program to train teachers everywhere in both the EXPLORES! and GLOBE programs! Please contact our office or the office of your school district if you are a teacher outside Leon County and wish to attend a workshop.

Workshop topics are related to Sunshine State and National Science Educational Standards and will include:

- ✓ Basic meteorology
- ✓ Weather satellite imagery interpretations
- ✓ Operating a weather satellite receiving stations
- ✓ Thunderstorms and hurricanes
- ✓ Using weather satellite imagery in K-12 classrooms

Program participants will **not** be required to purchase and/or operate a weather satellite receiving ground station; they will obtain imagery through the Internet. Each participant will receive standards-based curriculum on using weather satellite imagery in K-12 classrooms.

To register, fill out the registration form and mail to the EXPLORES! office. Please note that registrations are accepted on a first-come, first-served basis. If this workshop fills up, a waiting list will form.

Registration Policy

Spaces available: Workshop registrations will be accepted on a first-come, first-served basis. When a workshop fills, a waiting list will be composed. When a registration is received by the Department of Meteorology, the participant will be notified by mail, email or fax whether they are registered or on a waiting list.

Deadline: Registrations should be received no later than:

September 15

Fees: There are NO fees required by the teacher since the Leon County Public School District will sponsor the workshop.
